IMPORTANT—READ THIS AGREEMENT! BY INSTALLING FINALE, YOU AGREE TO BE BOUND BY THIS LICENSE AGREEMENT.

CODA MUSIC TECHNOLOGY (“CODA”) is licensing the FINALE software programs contained in this disk packet and the FINALE package (collectively “the SOFTWARE”) to you on the following terms and conditions:

1. **GRANT OF LICENSE.** In consideration of the license fee that is a part of the price you paid for this product, CODA grants you, as licensee, a nonexclusive right to use the SOFTWARE on a single computer (“CPU”) under the terms and limitations of this License Agreement.
2. **OWNERSHIP.** As licensee, you own the documentation materials and the media on which the SOFTWARE is recorded, but CODA retains all ownership and rights in the SOFTWARE, including all rights in any portion(s) of the SOFTWARE present in any output of the SOFTWARE. **This License Agreement is NOT a sale of the SOFTWARE.**
3. **USE RESTRICTIONS.** You may physically transfer the SOFTWARE from one computer to another, provided that the SOFTWARE is used on only one computer at a time. You may not install or use the SOFTWARE on a network, multiple CPU, multiple site arrangement, or any other hardware configuration where the SOFTWARE is accessible to more than one CPU or to more than one user. You may not use telecommunication transmissions to electronically transfer the SOFTWARE from one CPU to another. To protect CODA’s copyrights and trade secrets in the SOFTWARE, you may not adapt or make alterations to the SOFTWARE, decompile, disassemble, translate, convert to another programming language or otherwise reverse engineer the SOFTWARE or digital files created by the SOFTWARE.
4. **TRANSFER RESTRICTIONS.** You may not transfer, assign, sell, or otherwise dispose of the SOFTWARE on a permanent basis without the written permission of CODA. Should CODA grant such permission, you may be required to pay a Transfer Fee in effect at the time of the transfer. In no event may you rent, lease, grant sub-licenses or any other rights in the SOFTWARE to others on a temporary basis, including renting the SOFTWARE and CPU together to other users.
5. **COPY RESTRICTIONS.** You make one copy of the SOFTWARE **solely for backup purposes.** The backup copy automatically becomes the property of CODA and is subject to this License Agreement. You must reproduce CODA’s copyright notice on the backup copy.
6. **SUPPORT AND UPDATE POLICY.** CODA is not responsible for maintaining or helping you to use the SOFTWARE, except through CODA’s FINALE SUPPORT SYSTEM. From time to time, CODA may update the SOFTWARE. By returning the completed Registration Card to CODA, you will be able to use CODA’s FINALE SUPPORT SYSTEM. In addition, you will receive information regarding updated versions of the SOFTWARE. Future updates may be made available to licensees who have returned the completed Registration Card to CODA and paid an Update Fee.
7. **TERMINATION.** This License Agreement is effective upon installation of the SOFTWARE and remains in effect until expiration of all copyright interests in the SOFTWARE, unless earlier terminated. This License Agreement will terminate automatically without notice from CODA if you fail to comply with any of the terms or limitations of this License Agreement. Upon termination you must return all copies of the SOFTWARE to CODA.
8. **MISCELLANEOUS.** This License Agreement is the complete and exclusive agreement between you and CODA relating to the SOFTWARE and shall be interpreted under the laws of the State of Minnesota applicable to contracts made in Minnesota.

The FINALE SOFTWARE and accompanying documentation materials may also be protected under federal copyright and patent laws. Unauthorized copying or use of the SOFTWARE beyond the scope of this License Agreement is expressly forbidden. You may be held legally responsible for any copyright or patent infringement that is caused or encouraged by your failure to abide by the terms and conditions of this License Agreement.

SOFTWARE DISCLAIMER OF WARRANTY AND LIMITED WARRANTY FOR MEDIA

THE SOFTWARE AND ACCOMPANYING DOCUMENTATION MATERIALS ARE PROVIDED SOLELY ON AN “AS IS” BASIS, WITHOUT WARRANTY OF ANY KIND. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE AND ACCOMPANYING DOCUMENTATION MATERIALS IS WITH YOU. YOU ASSUME ALL RESPONSIBILITY FOR SELECTION OF THE SOFTWARE AND ACCOMPANYING DOCUMENTATION MATERIALS TO ACHIEVE YOUR INTENDED RESULTS, AND FOR THE INSTALLATION, USE, AND RESULTS OF THE SOFTWARE. IF THE SOFTWARE OR ACCOMPANYING DOCUMENTATION MATERIALS PROVE TO BE DEFECTIVE, YOU, NOT CODA OR ITS DEALERS, DISTRIBUTORS, AGENTS, OR EMPLOYEES, ASSUME THE ENTIRE COST OF ANY AND ALL NECESSARY SERVICING, REPAIR, OR CORRECTION.

TOC

CODA warrants to the original licensee of the SOFTWARE that the media on which the SOFTWARE and accompanying documentation materials are recorded will be free from defects in materials or workmanship under normal use for a period of 90 days from the date of purchase of the media and documentation materials as evidenced by a receipt. This warranty will be null and void if the media appears to have been damaged due to unauthorized service, modification, accident, abuse, misuse, or excessive wear.

CODA’s entire liability and your exclusive remedy as to defective media shall be replacement of the defective media. CODA will replace any defective media you return during the 90 day warranty period, without charge, provided you have signed and returned the enclosed Registration Card. Prior to returning the defective media, you must call CODA for a return authorization number. Returned media should be shipped in a protective package to CODA MUSIC TECHNOLOGY at the address shown in the documentation materials, and should be accompanied by the return authorization number, a copy of the paid receipt, a brief description of the problem and your return address. SOME STATES DO NOT ALLOW LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE 90 DAY LIMITATION MAY NOT APPLY TO YOU.

Neither CODA nor anyone else involved in the creation, production, licensing, or delivery of the SOFTWARE and documentation materials shall be liable for any indirect, incidental, consequential, or special damages (including damages for lost profits or the like) resulting from breach of warranty or any type of claim arising from the use or inability to use the SOFTWARE, even if CODA has been advised of the possibility of such damages. In any event, CODA’s responsibility for direct damages is never more than the purchase price and license fee you paid for the FINALE package. SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.
